March 2010

### Presidents Letter:

Dear Friends,

First I would like to thank my officers and board members, Terry Tice, Secretary, JoAnne Derreth, Treasurer, and Board Members, Larry Gallman, Judy Russ, and Edward Hartzog, and especially Mike Pate, Vice President. As most of you know, I am out of town with Jimmy working and I have depended on all of these people, especially Mike to carry on all the duties and responsibilities of the club. Thanks to all of you.

Linda and Mike Pate have offered to teach Beginner and Advanced Shag Lessons on Wednesday nights. Beginner Lessons start at 6:30 pm and Advanced Lessons start at 7:15 pm. This is a free service our club offers to anyone. Please make it a point to tell Linda and Mike how much we appreciate them doing this and support them. All of us can learn a new step!

"Shaggin' On The Santee" is fast approaching. The dates are Friday, July 23 thru Sunday, July 25. We will be working and partying on Thursday night. It takes a huge amount of support from all our club members to ensure that our annual party will be a great success. Please think about what you would like to help with and let me know. Flyers will be going out to members first and I hope it will be the first week of April.

Remember, Ann Hodges is the one that sends cards from our club but we have to let her know when someone needs a card. Please keep this in mind and let Ann and myself know if there is someone that needs to hear from us or needs to be on our prayer list.

I miss all of you on Wednesday nights and hope our crowd is growing every week. Please remember to ask anyone you think about to join our shag club!! Tell them to go to our website, [www.theoasc.com](http://www.theoasc.com) and get a application, fill it out, and mail it in.

See you soon,

Linda

## Thank You:

Susan Stroman had a brain storm and asked me to help her, then Ruth Ann Arnold offered her help, and that is how the Donna Ward Benefit started. It snowballed when all or you got on board and really supported it in every way, Donna was so excited and all she could say is, "I can't believe all these people came for me." It's like a big family reunion!! She was determined to be there and she did suffer for three days afterwards but she was so grateful to all of you and she asked me to tell you how much she appreciated everything. She just could not believe how so many people turned out to helped her.

I spoke with her today and she is on chemo and medication, which is making her skin blister and peel, but it has slowed down the cancer and it is not spreading. Her lungs have a better flow of air and she has good days and bad days. Her outlook on life is so good and she keeps busy. Please keep Donna in your prayers.

Thank you for all you support,

Linda Joyce
