Presidents Letter:

June - July 2011

Shaggin on the Santee (July 28th – 31st) will be here before we know it!! Tony and Vickie are doing an outstanding job of organizing different kinds of events and activities for this year's party and have arranged for a live band on Friday night. I truly believe that this will be the best Shaggin on the Santee yet! If you don't have your tickets and reservations yet, you'd better hurry because tickets are selling out fast. We are limiting tickets so that the dance floor will not be overcrowded!

If you haven't been with us on Wednesday nights, we've missed you! Membership is great, but participation has been slack. Furman is playing some great oldies (some not very old) dance music, and of course line dancing tunes.

We hope to start with dance lessons again soon, and will keep you posted. Are you interested in line dance lessons? Just let us know what you want, we have some of the finest when it comes to Shaggers, and they would love to share.

Finally, one of our long time members and past presidents, Judy Russ, has been having problems and just underwent knee replacement surgery. If you'd like to send a card or letter to Judy, you can send them to:

From Tony Adams:

Shaggin' on the Santee is a great opportunity for Orangeburg Area Shag Club to express our love for the South Carolina state dance. This annual gathering of shaggers has become a tradition and we need to continue with our support of our Jr. Shaggers, our next generation leaders.

I would like to thank the members for their time and assistance, with that team effort, we hope to provide a very exciting time for all. The basic concept is still in the plan, but some events and activities have been added; a live band on Friday night is a first in a long time. We have received many favorable comments on this, and we are sure you will enjoy "The Custom Four +two" band. Jack and Gene Crib, with other band members have played Beach-Blues and Shag music for 30+ years.

We have 3 great DJ's, playing our favorites at poolside and in the ballroom a DJ will get your dancing shoes moving Friday night before the band starts and during breaks. We want this to be a memorable year, maybe, the best "Shaggin' on the Santee" ever.

If you don't have your tickets and motel reservations, you'd better hurry tickets are selling out fast. We are limiting tickets so that the dance floor will not be overcrowded.

Many thanks to Terry Tice, our webmaster for his dedicated work in preparing this newsletter and sending emails. A lot of work with little appreciation.
